Chief,

All vessels were checked and are either registered or documented. No action needed to be taken.

The illegal parking was checked and below is the findings:

2/8/18 - 6 violators and warnings issued (first offense)
2/9/18 - 3 violators and warnings issued (first offense)
2/10/18 - No violators
2/11/18 - No violators
2/12/18 - 1 violator and warning issued (first offense)

Please check this out. I know we have issued parking citations before and John Kennedy checks vessel registrations.

Hi, I have heard from a concerned downtown citizen that there are multiple cars left overnight in that parking area. It is assumed that the anchored boaters out in harbor have their cars there. It was also told to me that some are not registered/identified properly as vessels. Can you please check on this and let me know, RK
