**Education:**

1969 Bachelors of Civil Engineering New England Collage, Henniker, NH

1971 Masters of Environmental Engineering, Manhattan College, Bronx, NY

**Employment:**

From

From 1971 until 1979 I was employed as an environmental consultant at 2 different environmental consulting firms, in the New York Area, developing design criteria for industrial wastewater treatment facilities.

In late 1979 I became the Manager of Environmental Engineering for Clairol Inc. in Stamford, CT. In 1989 I became the Director of Environmental Health & Safety at Crompton & Knowles Corporation, a specialty chemical manufacture, retiring in 2009.

In 2010 I went back to work as an environmental consultant first with the NYC Department of Environmental Protection, than the NYC School Construction Authority and finally with NJ Public Service Electric & Gas retiring again in March of 2017.

**General:**

My wife, Joanne and I became full time Punta Gorda residents in April of 2017 after selling our house in CT. We purchased the land several years ago and the house in PGI was completed in late July 2017. We lived in Ridgefield, CT for 37 years where I was a member of the Volunteer Fire Department for 35 years as well as a member of the Town's Finance Board (an elected position) for 6 years. We owned several boats, keeping them on the Hudson River. Currently we have no boat but am actively looking for a power boat.
